To Whom It May Concern:

Please consider this as a letter of recommendation for Ace Painting. We are in the process of selling our home and were wanting a professional interior paint job prior to placing our home on the market.

We have approximately a 2050 sq. ft. home and needed the entire interior completely painted from top to bottom.

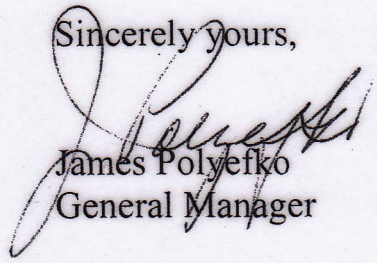

We contracted Ace Painting:

- 1) They started and finished the job as contracted
- 2) They worked long and hard each work day
- 3) The price was competitive
- 4) The quality of the job was excellent
- 5) The owner was conscientious and followed through with detail
- 6) They cleaned up the area upon completion.

I highly recommend Ace Painting and would use them again in the future.

Should you have any questions, please do not hesitate to call me.

Sincerely yours,

James Polyefko  
General Manager
